

October 22, 2008

Dear Members,

This is by far one of the hardest things I have ever done but I must announce that we will be forced to close on 30 Nov 2008. We have struggled to survive the past several months as membership sales have plummeted and the economy has forced many members to cancel their memberships. Although we have given this our very best, we can no longer financially survive.

We have been given notice by the landlord that we have until the 30th of November to vacate the building. We will continue to operate up until that date but will have to drop many of the classes for November. We will publish a calendar as usual but classes for November will be limited.

The members that are currently paying monthly via electronic billing with a monthly debit from EBCS will have their last debit on the 20th of October or the 5th of November. All debits will cease after the 5th of November 2008.

If you have a Paid in Full membership, we are bonded and you will be receiving a letter shortly explaining the process for the refund you are due.

I cannot express how much all of you mean to me. This has been a wonderful adventure and I will sorely miss it, but most of all, I will miss you, the members. Thank you for the memories. They will last a lifetime.

Regretfully,

Tammy Harper
